Congress of the United States

House of Representatives

COMMITTEE ON GOVERNMENT OPERATIONS

1501 Longworth Office Building

Washington, D.C.

March 2, 1964

Honorable John A. McCone
 Director
 Central Intelligence Agency
 Washington 25, D. C.

Dear Mr. McCone:

The House Committee on Government Operations is again charged with the responsibility of compiling a Federal Property Inventory Report covering real and personal assets of the United States Government on a world-wide basis, as of June 30, 1964. The Report will be published in December of this year.

You and your associates have been of great assistance to the Committee during the past few years in compiling data concerning assets under the jurisdiction of the Central Intelligence Agency. I am especially pleased that assets of your agency have been reported previously in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in each instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed last year, figures covering your real and personal property assets as of June 30, 1964. These data are requested no later than November 1, 1964, and they will be reflected in our next Report.

Please be assured of my sincere appreciation of the assistance rendered by your Agency in the past, and I look forward to your continued interest and cooperation in our undertaking.

Sincerely yours,

WILLIAM L. DAWSON
 Chairman

Honorable William L. Dawson
Chairman, Committee on
Government Operations
House of Representatives
Washington 25, D.C.

Dear Mr. Chairman:

This is in response to your letter of 15 March 1963 to the Director of Central Intelligence concerning the Committee's responsibility in compiling a Federal Property Inventory Report covering real and personal assets of the United States Government which are located on a world-wide basis as of 30 June 1963.

In accordance with our existing arrangements, the figures covering real and personal property assets of the Agency as of 30 June 1963 will be furnished in the same manner utilized in past years.

Your continued cooperation and assistance in facilitating the submission of this information in this manner is appreciated. If I can be of any assistance to you in this or related matters, do not hesitate to call upon me.

Sincerely,

John S. Warner
Legislative Counsel
